

Sort bio of MariosK

Marios is getting first in touch with a music environment at the age of 5 when he had his first piano lesson. At the age of 10 he started playing percussion and trumpet. In 2000 Marios after audition joined at the Music High school of Patras (GR). At the age of 15 he started the drum lessons. By 2006, Marios had

profound knowledge of music getting acquainted with other teachers such as "Trumpet, clarinet and mandolin." In 2006 Marios got invited to join his first band (Quick Silver), and the following year to the Cold Product. With Cold Product have got 2 singles. Since 2008 Marios is sitting for exams along with his drum teacher (Konstantinos Vamvas) in the London College of Music University for the Drum Kit and theory of music grades & diplomas. In October 2016 Marios joined a band called Fallen Arise. With Fallen Arise toured for the 'Adeline' in Romania, Bulgaria and Athens before the end of the year. In 2017 Marios with Fallen Arise participated in 3 tours supporting acts like Fates Warning and Paradise lost, also, at the end of the year went to Romania as co-headliner to the Rock'n'lasi festival. MariosK proudly plays with his custom signature drumsticks by R-Stick.
